PROSPECTUS.

The Exhibition, which it has been decided to hold in Wolverhampton in the summer of 1902, will be the most important ever held in England since the great Jubilee Exhibition held in Manchester in 1887.

The undertaking has already met with most hearty and widespread support from all classes. The Corporations of Wolverhampton and other important Municipalities have given the undertaking their support, and the civic heads have become Vice-Presidents of the Exhibition.

The Guarantee Fund now amounts to £28,000.

The site of the Exhibition, which extends to over thirty acres, is part of the beautiful West End Park of Wolverhampton, which has been granted by the Corporation, as well as the adjoining grounds, which have been most generously lent by Lord Barnard.

Wolverhampton, which takes its name from Wulfruna, the sister of Ethelred, is the centre of a thriving and populous district, in which a large variety of trades is carried on. It is within about twelve miles of the City of Birmingham, whilst Walsall, Bilston, Willenhall, Wednesbury, Dudley, West Bromwich, and a number of other important towns are within half an hour's journey. The population within fourteen miles radius is fully one and a half millions, whilst Crewe, Manchester, Liverpool, and the great centres of industry in Wales are within easy access.

The London and North-Western, the Great Western, and the Midland Railway Stations are all within one mile of the Exhibition, which will be connected with them by a constant tramway service.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit

with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. 61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.
